Celenza F.

Dr. Frank Celenza is uniquely certified in both Orthodontics and Periodontics. He received his Periodontal certificate from University of Pennsylvania in 1986 and his Orthodontic certificate from New York University in 1988. He has authored numerous publications in the dental literature, has been involved in Post-Graduate teaching for over 15 years, and maintains a private practice in Manhattan.

Dr. Eric Van Dooren

Dr. Eric Van Dooren attended the Katholieke Universiteit Leuven, Belgium, where he received his degree in dentistry in 1982. He maintains private practice in Antwerp, Belgium, limited to periodontics, fixed prosthodontics, and implants. He is Visiting Professor at Université de Liège in Belgium and at University of Marseille in France. Dr. Van Dooren is an active member of the European Academy of Esthetic Dentistry. He lectures nationally and internationally.

Romanos A.

Dr. Alain Romanos obtained his DMD from the Free University of Brussels (ULB) in 1999. He is Diplomat of the American Academy of Periodontology. He is assistant professor at the postdoctoral program of Periodontology at the Lebanese University and Visiting Assistant Professor at the University of Alabama - Birmingham.

Tabanella G.

Dr. Tabanella is a Diplomate of the American Board of Periodontology. He graduated from the University of Southern California - Los Angeles - USA where he obtained the Certificate in Periodontics as well as the Master of Science in Craniofacial Biology. He is author of original articles published in peer-reviewed journals and he has lectured in Europe as well as in the US on peri-implant bone loss, and soft and hard tissue reconstruction. He maintains a private practice limited to periodontology, reconstructive and implant surgery in Rome, Italy.

Urban I.

Dr. Urban received his DMD degree and subsequently his MD degree from Semmelweis University School of Medicine and Dentistry in 1992 and 1996. He completed a residency program in oral surgery at St. Istvan Hospital in Budapest, Hungary (1992-1996). He completed his internship program in Periodontics at UCLA. After he graduated from the Fellowship Program (1999-2000) in Implant Dentistry at Loma Linda University in Loma Linda, California and he was appointed assistant professor in the following year. Dr. Urban teaches implant dentistry in the graduate program at Loma Linda.

Vanden Bogaerde L.

Private practice in dentistry since 1979. Since 1980 he has attended the Department of Periodontology at the University of Milan. From 1987 to 1997 he was adjunct professor in Periodontology, initially at the Graduate School of Dentistry and, later, at the Degree of Dentistry of the University of Milan. From 1986- Attendance of Specialization Courses at the following University: University of Boston in the United States, University of Gothenburg in Sweden, University of Leuven in Belgium.
